### **C.O.P.S. DONATES OVER \$5,000 TO SUSAN G. KOMEN**

Normal, IL – Confidential On-Site Paper Shredding (C.O.P.S.) presented a check for \$5,075.88 to Susan G. Komen in honor of Breast Cancer Awareness Month for the 3<sup>rd</sup> year of C.O.P.S. “Shred for the Cure” promotion. During the month of October, C.O.P.S. donated a portion of its proceeds, an initiative inspired by a C.O.P.S. team member who was personally touched by the disease.

As a local company servicing the Midwest, C.O.P.S. hoped to raise a significant contribution through “Shred for the Cure.” To accomplish this, their fleet of shred trucks displayed large, pink ribbons, drivers wore pink armbands, clients were serviced with pink shred bins, and of course...flyers were printed on pink paper.

C.O.P.S. is very pleased with the participation and support that customers showed by scheduling their shred projects during the month of October, leading to the largest October project month in company history!

“We are grateful for COPS ongoing support of our mission to save lives and end breast cancer,” said Linda Maricle, executive director of the Komen Memorial Affiliate. “*Shred for the Cure*” is a fun way to raise awareness and dollars to give strength and hope to breast cancer survivors.”

Across the country, there are 122 local Susan G Komen affiliate offices working to make a difference. The Komen Memorial Affiliate specifically serves 36 counties in Illinois, which include the metro areas of Peoria, Bloomington-Normal, Springfield, Decatur, and Champaign.

Confidential On-site Paper Shredding (C.O.P.S.) – a division of Midwest Fiber Recycling, is Central Illinois' largest privately owned on-site document shredding firm, providing area businesses with a full suite of security-certified destruction services, including paper media, plastic media, and computer hard drives.
